

## MOBIUS STRIP SHAWL

# Ready to Twist?

normally you would close your round or tube with a slip stitch into that top 1st one chain space

for the twist you now flip the left side of your work and start your 3rd row into the back through the 1st one chain space

ch 1, yarn over as for a double crochet

flip the left side and push your hook through the first space

2

continue with  
1 dc , ch 1  
into the 1 ch  
spaces
