GOGSTER PATTERN

CROCHET

8 ply yarn
4mm hook (or whatever size gives a tight stitch so filling is contained securely)

Chain 100, then single crochet in 2nd chain from hook. Continue to single crochet in each chain to end. Chain 1, turn and single crochet in each stitch to end.

Continue this way for about 60 rows, or until Gogster is the desired size. Work is folded so beginning chain and final row become the side seams.

Sew side seams and fill with polyfill or use pre made insert to fit the size.

Add features and any other embellishments to give the Gogster a personality!

MINI GOGSTER PATTERN

CROCHET

8 ply yarn
4mm hook (or whatever size gives a tight stitch so filling is contained securely)

Chain 50, then single crochet in 2nd chain from hook. Continue to single crochet in each chain to end. Chain 1, turn and single crochet in each stitch to end.

Continue this way for about 30 rows, or until Gogster is the desired size.

Work is folded so beginning chain and final row become the side seams.

Sew side seams and fill with polyfill or use pre made insert to fit the size.

Add features and any other embellishments to give the Gogster a personality!
